Lane Reduction along IL 137 in Libertyville

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane reductions will occur along Illinois Route 137 in Libertyville, for intermittent road work beginning, weather permitting, Monday, April 13.

In order to complete the work, IL 137 will require various lane closures between Butterfield Road and Illinois Route 21 (Milwaukee Avenue). Roadwork will involve patching, repaving and curb and gutter removal and replacement.

The project will be complete by June 30.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>.
Updates on the impacts to traffic are available at www.travelmidwest.com.
